

CDL REFRESHER COURSE
Class A
45 Clock Hours

1 Week – Full Time

SECTION ONE: CLASSROOM INSTRUCTION **10 Hrs.**

Classroom Instruction will be tailored to meet student needs. The student will meet with his/her admissions representative to create a customized lesson plan.

SECTION TWO: DRIVING RANGE **20 Hrs.**

Driving Range instruction will consist of various backing maneuvers to refresh driving skills. Students will improve their driving abilities through practicing straight-line backing, offset backing left/right, alley dock, and parallel parking.

SECTION THREE: ROAD TRAINING **15 Hrs.**

On road instruction gives students the opportunity to practice driving skills in various traffic situations and on various roadways systems. Students apply speed and space management, visual search, communication, shifting techniques, double clutching, progressive shifting, and defensive driving techniques to safely operate a tractor-trailer.

TOTAL COURSE HOURS ***** **45 Hrs.**

COURSE OBJECTIVES: This course is designed for individuals who have a Class A Commercial Drivers License. Training prepares students for re-entry to the job market.
